COOKIE POLICY

Herewith the cookie policy for SGS Bateman's website. (Please note that for the rest of this notice, SGS Bateman will be referred to as "We", "Us" or "Our".)

This policy operates alongside and is incorporated by reference in our Website Terms & Conditions.

PURPOSE

The purpose of this policy is to describe what cookies are, why we use them, and how you can manage them during your visit to, or use of, our website.

WHAT ARE COOKIES?

Cookies are small text files placed on your device when you visit our website. These files do not contain your personal data but allow us to associate you with a certain device.

WHY DO WE USE COOKIES?

Cookies provide several useful functions to you, including:

- Granting you access to content.
- Tailoring our website's functionality to you, personally, by letting us remember your preferences, location, or device type.
- Improving our website performance.
- Understanding who our audience is so that we can provide content most relevant to you.
- Allowing third parties to provide services to our website.
- Helping us deliver interest-based advertising where appropriate in compliance with the applicable laws.

WHAT TYPES OF COOKIES DO WE USE?

We use different types of cookies on our website. These cookies may be deleted from your device at different times, such as at the end of your browsing session (when you leave the website) or after a pre-set amount of time, or they may persist on your device until you delete them.

We use the following cookies:

Strictly Necessary

These cookies are necessary for the website to function and cannot be switched off in our systems. They are normally set in response to actions made by you, amounting to a

request for services, such as setting your privacy preferences, logging in or completing forms.

You can set your browser to block or alert you to these cookies, but please note that parts of the website may no longer function correctly once you have altered these settings.

Note: These cookies do not store any personally identifiable information.

Performance

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our website. They help us to identify which pages are the most and least popular and see how visitors navigate the website.

All information on cookies collected is aggregated and therefore anonymous. If you do not allow these cookies, the site will not be performance optimised for your use.

Targeting

These cookies may be set through our site by our advertising partners. They may be used by those companies to build a profile of your interests and show you relevant adverts on other sites.

Note: These cookies do not directly store personal information but are based on uniquely identifying your browser and internet device. If you do not allow these cookies, you will receive advertising tailored less to your interests.

DELETING COOKIES

Your internet browser generally accepts cookies automatically, but you can modify your settings to stop accepting them. You can also delete cookies manually; however, please note that our website requires cookies to function properly, and by removing them site may no longer be usable.
